King Salman is the victim of a horrible plot by Putin and Erdogan to falsely accuse him of killing Khashoggi. Think about it - Turkey and Russia are Iran's best friends. They hate Saudi Arabia and the USA. Turkey, at Russia's request, sent its agents into the Saudi embassy disguised as Saudi operatives to slaughter Khashoggi and make it look like Saudi Arabia did it. Russia and Turkey want to drive a wedge between me and King Salman to empower Saudi Arabia's main rival, Iran.

America is not fooled by this clever stratagem by Putin and Erdogan. The United States military will commence the total and utter destruction of Iran's secret nuclear weapons in short order. And if Putin and Erdogan ever try to pull another stunt like this, they had better know that America will find out about it and will take measures appropriate to such perfidy.
